We do not endeavor to be anything but a blessing to you and your people.

If there are any questions, please call NOW!

1-800-487-3956

Thanks for your confidence!

Please Note!!!

For an evening service/concert the Keffers plan to arrive by 4 pm. *It is essential that the building be unlocked and someone be present to assist them in turning on lights, securing a table for their product sales and to generally give directions through the facility.*

If the Keffers are to present their ministry in a morning service it is generally their policy to set up their table and sound equipment the evening prior so as to guarantee that they will be fresh for the service. In this case also someone would need to be present to assist them.

The specific arrival time will be set within a few days of the scheduled service/concert.

Thank you!
